

Tech Trekkers Camp 2019

Waiver: In consideration of your acceptance of my entry, I hereby, for myself, my heirs, executors or administrators; waive any rights or claims for damages I may have against Jefferson West Elementary, USD#340, school board, school staff, or camp instructors. I certify that I am in good health and have no serious health problems and assume all risks for injury and so hereby verify by my signature.

Technology Use Agreement: Students will be using iPads and laptops as part of the Tech Trekkers Camp 2019. Although no accidents or damage have been experienced the past five years of Tech Trekkers Camps, it is the students/parents responsibility for cost of repair/replacement should an iPad or laptop be damaged (an iPad screen replacement is about \$125, and a laptop screen is \$150-200, other damage price varies). Payment is expected at the time of the repair.
