

Tech Trekkers Camp 2018

Waiver: In consideration of your acceptance of my entry, I hereby, for myself, my heirs, executors or administrators; waive any rights or claims for damages I may have against Jefferson West Elementary, USD#340, school board, school staff, or camp instructors. I certify that I am in good health and have no serious health problems and assume all risks for injury and so hereby verify by my signature.

Technology Use Agreement: Students will be using iPads and laptops as part of the Tech Trekkers Camp 2018. Although no accidents or damage have been experienced the past five years of Tech Trekkers Camps, it is the students/parents responsibility for cost of repair/replacement should an iPad or laptop be damaged (an iPad screen replacement is about \$125, and a laptop screen is \$150-200, other damage price varies). Payment is expected at the time of the repair.

Give your student the opportunity to ignite their creativity this summer.

Tech Trekkers

2018

Summer Camp

Science
Technology
Engineering
Arts
Math

Who: Jefferson West 1st-2nd graders
(current 2017-2018)

What: This S.T.E.A.M. Tech Trekkers camp will be providing a week to remember for every child in 1st-5th grade. Each session has a different focus that will have campers completely involved in each experience.

When: May 29-June 1, 2018
June 4-7, 2018

Where: Jefferson West Elementary School
Mrs. Korb & Mrs. Lockhart's room

(District transportation is NOT provided.)

Week 1 May 29-June 1
9:00-2:30

AM (1st-2nd) 9:00-11:15

Are you an Artist? Or like Technology?

Let's introduce you to Awbie! Awbie is a little cartoony character who will lead you on an open ended adventure. Bring drawings to life, create, teamwork, and code. In this game-like program, students will be begging for more!

Trap and Escape.....Bartholomew

We'll just call you the Little Engine That Could! You'll be an engineer for Jack, Santa, Goldilocks, Bartholomew, to help 'Plan an Escape', 'Design a Bed', 'Build a Trap', 'Parachute in', 'Make and Elevator', and more!

Week 2 June 4-7
9:00-2:30

AM (1st-2nd) 9:00-11:15

STEAM Activities - (Science Technology Engineering, Art, and Math) Balloon Pinwheels! How Strong is Spaghetti? Shaving Cream Rain Clouds! Popsicle Bridges! What does this make you think of? The kids will have a hard time putting these down!

Registration Deadline:

Friday, May 18 (Space is limited)

One week = \$85 or Both weeks = \$160
Or \$50 per session AM or PM

Early Drop-Off Option: 8:00-9:00

\$5.00 per week per child

***Bring your own sack lunch & drink.**

PM (1st-2nd) 12:15-2:30

LEGO BUILDERS WANTED!

Let's go on an adventure around the world. Use your imagination, build a tower, a pyramid, or a contraption. Let's "build" all the places you could go!

NOT JUST SLIME: Let's get Ooey and Goey with Slime Experiments! Includes Bubble Love, a Magnifying Mystery, and Magnetic Attraction.

MINUTE TO WIN IT....laughs and giggles:

games are a super-fun thing for kids. They add a spark to brain games, as an individual or team, using 60-second challenges that use objects that are commonly available. Laughs and Giggles, included!

PM (1st-2nd) 12:15-2:30

BOARD GAMES FRENZY

Let's give the brain workout! What's your favorite? Play for fun, be competitive, learn a new game, or share your favorite!

MINUTE TO WIN IT games are a super-fun thing for kids. You get 60 seconds to beat a challenge that uses objects that are commonly available. Plenty of laughs and giggles, included.
