DUTIES

The Board of Education consists of seven members elected by the voters of the school district for staggered 4-year terms. It's major responsibility is to determine and interpret the educational needs of the community and to harmonize any differences of opinion relative to formulation of policies of the best evidence available.

MEETINGS

All meetings of the Board are open to the public and are regularly held on the second Monday of each month at 6:30pm at the District Office, 3675 74th Street, Meriden. The Board may schedule special meetings at other times, generally for special or emergency issues that arise from time to time in the life of a school district. These are limited to agenda items included in the meeting notice or as provided by law. During any meeting when specific matters requiring confidentiality arise, the Board may go into closed session for a specified length of time. State law defines items allowed in these sessions. Even in these instances, final action must be made in public session. Four votes are required for any action.
